Dear Families,

Welcome back to Sunday school, Term Two! We hope that this short break has provided an opportunity to find a little time to rest. We also hope you are staying safe and well during this pandemic. We are looking forward to continuing the Christian journey with your kids. Please be assured of our continued dedication and care in ensuring the safety of your child/ren.

Since the start of this pandemic, our Sunday school kids have become a lot more confident with our COVID regulation routines, and for that, we are truly grateful. We are grateful for the country's lifted regulations, but we continue to manage the threat of the COVID-19 virus as some of the regulations and protocols continue to remain in place, particularly the social distance of at least 1 meter, hand sanitizing, and wearing of masks.

The screening form will be replaced by a one-time undertaking by parents/guardians. This is to be undertaken to inform the Sunday school coordinator or class teacher should your child show symptoms of COVID 19. The screening/tracing forms will no longer be used for both parents and their children. Parishioners must still book online to attend Mass.

Kindly find below our schedule for the **Term 2**. **All children will now return to Sunday school classes, the rotation of classes will be put on hold.**
